

## **BOOTS**

**- Mare – 16.2hh – 2016 –**

***Dimaggio X De Niro***

Boots is a drop dead gorgeous chestnut mare with 3 super paces and a real talent for the higher levels.

She has successfully competed from Prelim to Elementary with scores up to 74% at Novice and 72% at Elementary including Regionals and the Winter National Championships.

In the stable, Boots is a real sweetheart and is always wanting a cuddle or groom and would really suit someone who loves to spend time with their horse as much as riding and training them. To train, Boots is a real talent. She has 3 super paces, a natural hindleg and a real presence in any arena she enters.

Boots would suit any rider looking for a horse either to start from the beginning or continue progressing through the levels. She has all the talent to make a top class horse but is equally laid back and happy to stay at the lower levels and attend camps, clinics and hacking too.
