

- Mare – 14.2hh – 2015 –

Desperado x Klein Roderijs Cocktail

- *Just under 69% at her last Elementary with a BD judge*
- *Won the 'tack and togs' Novice championship at Sheepgate recently*
- *Low mileage so still eligible for BD Prelim SILVER and Novice BRONZE*
- *Been to stay away venues and takes it all in her stride*
- *Happily hacks around the lanes and hacking tracks*

This golden princess would make the perfect BD Youth pony for an active and competent U16 to continue to progress to FEI level and BD Youth Teams. Equally she would suit a small adult who wants the feel of a horse in a pony size package. At only 8 years old, she is already perfecting the medium moves and really enjoys the competition arena and a busy social life!

Jasmijn has 3 super, ground covering paces and a big engine to match. Her lateral work is easy and correct and she has the gears in the trot work incl half pass. She is starting to show the collection in canter and has started the canter half pass.

Jasmijn is not a schoolmistress and has way too much talent to be wasted. We are therefore looking for an ambitious rider, maybe coming off a schoolmaster or with some knowledge beyond novice to ensure a continuation of her solid and positive training journey going forward.

£25000 currently although this will increase as her training level and competition record expands
